The Vessel Examiner Class at the January PCA Training Fair is now a one-day class planned for Sunday January 17th. This will be a fast paced review with the main focus on passing the on line exam. As in the past, the class starts PROMPTLY at 0730 and should be completed by 1630. The class will NOT have the final exam, which can be taken on line. Instructions will be provided at the class.

-**For** Coast Guard liability insurance purposes, **PRIOR** to leaving the house for ANY VSC activity other than to participate at an organized station, **PLEASE** remember to notify a member of the flotilla leadership (FC, VFC, FSO-VE) of your planned activity. The notification could be in the form of an email, text message or a phone call. In the unlikely event of an incident, be prepared to provide proof of the notification. In addition, for the same insurance coverage per the new VSC Manual please remember, you also need to be in uniform and if boarding a vessel you need to be wearing a lifejacket.

-**PLEASE** do NOT wear boots to climb aboard a vessel to perform a VSC. Our program allows for deck shoes, white or black tennis/walking with soft soles. If this is not an option, please consider purchasing disposal shoe/boot covers available in the paint or hardware dept. at Walmart, Lowes, Home Depot, etc, a package of 6 for under \$10.

-**VSC's ON RENTALS**-At the request of Commodore Collins, to maintain uniformity in the VSC program, moving forward, **ALL** VSC's for rental agencies that rent pwc's, fishing fishing boats, houseboats, paddlecraft, etc. will now require a D11NR Rental Agreement with the dealer. This program is relatively simple, straightforward, and is self-explanatory. You can find a copy of the instructions (ML-1), a sample introduction letter (ML-2), and a copy of the agreement (ML-3) on the D11NR Vessel Examiner (VE) website:

<http://rbsafety.d11nuscgaux.info/ve/ve.html> under "**VE FORMS**". These are done in Microsoft "Word" and you can tailor them for your individual needs. Please note that to participate in this program, a Program Visitor (PV) is required. However, if you are a Vessel Examiner (VE) and a current Program Visitor (PV), you can fulfill that requirement. Please print (2) copies-one for you to keep after signed by the vendor, and one for the vendor to keep after you and the Program Visitor (PV) have signed it. You should maintain your copies for the calendar year.

-**A special request** from the Director's office; **PLEASE** have the qualifying members 7038 with the 5 VSC's entered into AUXDATA by the FSO/SO-IS **PRIOR** to submission of the MT-2 to the Director's office.
